

You may feel compelled to announce to your classes  
(you may not)

The flyer committee has agreed to meet  
over the forthcoming weekend

It seems clear that said committee  
will work to issue  
an official announcement of

**The Really, Really Big Lit\Lang  
Holiday Workshop Bash**

The date is a closely guarded secret  
but semi-offical leaks place it  
on December 18th (a monday)

The time is also a closely guarded secret  
but tradition suggests from 4:30 until around 6:00

The place is so dearly maintained that the committee swears

THEY KNOW NOT YET

So, please announce:

there should be an announcement on Monday the 11th

Thank you
